

Resources in Yiddish Studies: Building a Research Guide for the Online Scholarly Platform, *In geveb*.
Zachary M. Baker

Description: “Resources in Yiddish Studies” is the title of a research guide that has appeared in several installments in *In geveb*, an online scholarly forum for Yiddish Studies. This presentation will include an overview of the research guide itself and will attempt to situate it within the larger context of web-based scholarship in Jewish Studies. “Resources in Yiddish Studies” is a hybrid creation, combining traditional bibliographical features with links to digitized and born-digital content.

Zachary Baker is the Reinhard Family Curator of Judaica and Hebraica Collections in the Stanford University Libraries. From 1987 to 1999, he served as Head Librarian of the YIVO Institute for Jewish Research. He is a Past President of AJL and the former editor of *Judaica Librarianship*.
