

## OCLC Update with Cynthia Whitacre

**Cynthia M. Whitacre** is the Manager, WorldCat Quality, which is the group that sets policy for OCLC cataloging as well as making active corrections and improvements to WorldCat bibliographic and authority records. Cynthia has been at OCLC since April 1987 and has been with WorldCat Quality since 2000. Her MLS is from Indiana University. She has experience in academic and special libraries and is a former President of ALCTS (Association for Library Collections and Technical Services), a division of ALA.
