

## ASSOCIATION OF JEWISH LIBRARIES CONFERENCE PROCEEDINGS

Dear AJL Conference Speaker:

Please share your June 2022 AJL Conference presentation with attendees and other interested scholars by having them included in the Conference Proceedings. Your work will be published on the AJL website (<https://jewishlibraries.org/proceedings>). In an effort to encourage membership in AJL, the current year's Proceedings are restricted to AJL members. After one year, they are made available to the general public.

Each published presentation will include your submitted text, slides, notes, etc. as delivered at the conference. The material will be posted in PDF to preserve the integrity of your work—others can save, download and/or print it, but they cannot modify it in any way.

Because papers can be accessed individually online, there are minimal format requirements. You may choose font, size, style, and length (within reason).

**Deadline: Friday, September 2, 2022**

**Format:** Please send a copy of your presentation and any other content you would like published attached as a file(s) to an email message. Microsoft Word and PowerPoint or PDFs are acceptable.

**Contents/Copyright:** Submitted content must be your original work. Include copyrighted materials only with permission or cite full references to these materials.

**Errors:** We will NOT be editing. Please correct typos, etc. Use spell check!

**Delivery:** By September 2, please submit your work via email to [ejgensler@gmail.com](mailto:ejgensler@gmail.com).

Questions? Contact Elana Gensler at [ejgensler@gmail.com](mailto:ejgensler@gmail.com).
