The Whole World is a Theater: Primary Sources in Yiddish Theater

Amanda Seigel

Description: New York Public Library holds a wealth of primary sources for Yiddish theater research, including play texts, music scores, ephemera, books and periodicals and archival materials. Learn more about efforts to make the collection more accessible to the public and find out how researchers are utilizing these materials for scholarly and creative work.

Amanda (Miryem-Khaye) Seigel is an Instruction and Outreach Librarian in the Dorot Jewish Division, New York Public Library.
